Purchaser for Raw Materials and Ready Products

As a **Purchaser for Raw Materials and Ready Products**, you will play a pivotal role in optimizing our supply chain operations. Your expertise will ensure seamless procurement processes, foster strong supplier relationships, and contribute directly to our mission of efficiency and cost-effectiveness.

Key Responsibilities:

- Execute purchasing strategies aligned with company policies and procedures.
- **Source, negotiate, and procure** raw materials and ready products to meet production timelines and quality standards.
- Collaborate cross-functionally with Production, Quality Control, and Logistics teams to ensure alignment and operational efficiency.
- Draft, review, and manage supplier contracts to secure favorable terms and mitigate risks.
- Continuously evaluate supplier performance, identify cost-saving opportunities, and explore alternative sourcing options.
- Maintain accurate records and generate reports using advanced analytical tools (e.g., Excel) to support data-driven decision-making.

What We're Looking For:

- **Required Qualifications:**
- Bachelor's degree in **Chemistry, Chemical Engineering**, or a related field.
- **2+ years of experience** in procurement, purchasing, or supply chain management (experience in manufacturing/chemical industries is a plus).
- **Advanced proficiency in English** (written and verbal) to liaise with global suppliers and stakeholders.
- Expertise in **Microsoft Excel** and familiarity with procurement software/systems.
- Exceptional negotiation, communication, and problem-solving skills.

- A proactive, detail-oriented mindset with strong organizational and time management abilities.
- **Preferred Qualifications:**
- Master's degree in Supply Chain Management, Business Administration, or a related field.
- Experience in supplier relationship management and contract negotiation.
