TOPSTARS 2017

EIT Raw Materials Winter School

November 6-15, 2017

CLab, Piazza Fiera 4, Trento

TOPSTARS 2017 offers to PhD students a unique hands-in opportunity to address a societal challenge in the Raw Materials framework by combining the technical expertise with innovation and entrepreneurship experience. The winter school will introduce students to entrepreneurial thinking and behavior, business and innovation processes, high-tech ventures marketing and business model generation techniques.

Application deadline

October 4, 2017
